

# ABSOLUTELY NO GLASS OR EARLY ARRIVALS. GATE TIMES: FRI 4PM-MIDNIGHT; SAT 2PM ONWARDS

## FOOD DRIVE

Please remember to bring minimum one item to donate to the local area food bank. This is mandatory and if you forget you will be asked for a \$2 donation. It is important we as a group help contribute to the local area we enjoy this weekend.

## SMOKING

We have FILM CANISTERS at the front gate for all smokers to collect your used butts in. Please break you city habit of tossing your butt on the ground and use the film canisters provided.

## LITTERING

It's vital to Harvest's future that there be ABSOLUTELY NO LITTERING including CIGARETTE BUTTS. We provide garbage cans on site and it's your responsibility to make sure your garbage finds its way to them.

## DRIVING UNDER THE INFLUENCE

Please help ensure you and no one you know drives while under the influence or over tired. Thankfully there will be R.I.D.E. programs set up both Saturday and Sunday to help ensure no one makes a bad decision.

## BEING PREPARED FOR COLD / WARM, WET / DRY

All music areas of the festival are completely water proof, including a very large calm kitchen area, but be prepared for all weather and remember we'll be in the country where the temperature is at times much cooler and damper than in cities and to bring warm and dry clothing to be sure you are comfortable throughout the night.

## CAMPING

It's awesome and you really should sleep at some point before heading home.

## Harvest festival : Map Directions to Midlothian Ridge

1. Drive HWY-400 North (85 km to Barrie)
2. At Barrie continue on HWY-11 North  
\*signs for Orillia/HWY-11/N Bay\* 154 km to where the Hwy is no longer divided and you see construction.
